### *Septic and Cistern Lid System*

Den Hartog Industries is excited to announce the redesign of the lids and ground access extensions on our septic tank line (1,000 to 1,500 gallons) and cistern tank line (1,150 to 1,700 gallons). The new lid features a bolt-on design for secure fastening providing an improved seal. Additionally, the increased lid diameter will allow for easier access to the tank for maintenance.

Legacy extensions will remain available—please contact the factory for details.

#### Den Hartog Septic and Cistern Systems Offer:

- Common lid and extension system.
- The assembly features bolt style lid for secure installation.
- Larger diameter lid.
- Double walled access covers that lock securely.
- Custom molded gaskets for watertight seal.
- 7", 16", 28" Ground Access extensions.
- Produced from linear low-density polyethylene.
